

Murshid Sam Dargah Blessing Retreat

August 24–27, 2017

Lama Foundation

Join many of the Senior Teachers of the Ruhaniat in ushering in this next phase of guidance and service for Murshid Sam's Dargah on Lama Mountain. From Thursday evening dinner until Sunday lunch we will share story, teachings, zikr, Dances of Universal Peace and community invoking the Legacy and Guidance of Murshid Samuel Lewis, also known as Sufi Ahmed Murad Chisti. From Friday evening Shabbat to Saturday evening Dinner we will join with the Lama Community and any and all friends who wish to join.

"The ultimate purpose of the Message is to bring humanity to the praise of God. When this comes forth from the heart freely, when human beings feel the pulsation of spiritual blessing, then hearts will sing and no commentary will be needed. This aspect of spiritual architecture, in the building of shrines and temples, will therefore complete a stage of evolution in the progress of humankind, and then it may be that the children of humanity will sing together with the morning stars. Subhan Allah! Alhamdulillah! Allaho Akbar!"
– Murshid Samuel Lewis (from "Spiritual Architecture")

Facilitated by: Pir Shabda Kahn with Murshid(a)s Asha Greer, Darvesha MacDonald, Halima Sussman, Mariam Baker, Leilah Be, Khadija Goforth, Allaudin Ottinger, Abraham Sussman, Khabir Kitz

Dargah & Land Blessing: A Lama & Ruhaniat Gathering

August 25–26, 2017 Free Event, Donations Welcome

The actual Dargah Blessing and Inauguration will occur on Saturday August 26th at 9:30 AM

Lovers of Lama, the Ruhaniat and Murshid Sam are invited to gather with Mirabai Starr, interspiritual guide and bereavement counselor, Pir Shabda Kahn, and other leaders for a shared expression of love and honor for the land and the life and legacy of Murshid Samuel Lewis. This gathering is intended as a blessing for the Lama land and the Dargah structure. It is also a sacred circle to honor the full range of feelings

about the impact of the Dargah on the Mountain and the extended Lama family. All voices are welcome as we integrate this change in the inner and outer landscape. Beginning with Shabbat on Friday, and continuing with ceremony and hands-on projects through Saturday, we will begin remediating the land and integrating the Dargah into the life of Lama. Let us come together in the spirit of Murshid Sam to plant seeds of healing, peace, and love.
